Branch General (Edn)

Subject Letter No $\frac{623}{21}$ dt 17th July 1903 from the Dgl of Edn Requesting that the monthly grant of Rs 20 now paid to the Sanskrit School at Nagade be discontinued and out of the Savings a sum of Rs 15 a month be utilized for the employment of a Sanskrit Pandit in the Anglo Vernacular School at the Same place

The Dgl states that the Sanskrit School at Nagade is in a languishing Condition for some time past and Requests that the present monthly grant of Rs 20 paid in aid of that School be discontinued with effect from 1st August 1903

He also states that Rama Sastri, Pandit of the above School has been teaching Sanskrit in

in the local Anglo Vernacular School all along in addition to his duties in the Sanskrit School 16 boys of the A V School are now receiving instruction in Sanskrit and it is likely that more boys will take up Sanskrit if a Sanskrit Munshi is permanently attached to the School In these circumstances the I G E requests that Rama Sastri above referred to, be permanently employed as Sanskrit Assistant Master in the A V School on Rs 15 a month the cost being met from the Saving of Rs 20 ~~available~~ shown above

In this case a portion of the grant in favor of a School is proposed to be converted into the pay of a Pandit to be permanently employed in another School

When a similar Recommendation was made ~~during~~ last year Regarding the Sanskrit School at Chamapatna, Govt Sanctioned the discontinuance of the grant and directed that the provision be utilized tentatively for a year upon the entertainment of a Sanskrit Pandit in the Kannada School at the same place subject to the Submission of a Report at the end of a year as to the number of pupils benefitted and the Standard of efficiency attained. It was also observed that "Govt are not at present prepared, in the absence of some investigations, to convert a grant into a permanent charge" (Vide G.O No 2969-50 Ed 237 dt 12/12/02)

The grant-in-aid Sanskrit School does not in the present most unsatisfactory condition deserve a grant which may therefore be discontinued. Out of the 20 Rupees thus saved Rs 15 are proposed to be paid to a Sanskrit Teacher ~~[illegible]~~ to be attached to the A V School. Good reasons have been given. No additional cost is involved. I agree to the order proposed as per draft — C

From

Inspector General of Education in Mysore

To

H V Nanjundayya Esquire M.A, M.L,
Secretary to the Government of Mysore in
the General and Revenue Departments
Bangalore

SIR,

I have the honour to inform you that a monthly grant of Rs 20 is being paid in aid of the Sanskrit School at Magadi The School has been in a languishing condition for some time past chiefly because Mr Krishna Moorty a Doddar who used to feed all Vaidiks and students who came from distant parts left Magadi and settled down at Bangalore Since then the attendance in the School

has been low and unsteady and it has now dwindled down to 3 students all of whom are Vaidikas Rama Shastri the Pandit of the School has been teaching Sanskrit in the local Anglo-Vernacular School all along in addition to his duties in the Sanskrit School and 16 boys are now receiving instruction in Sanskrit in the former school It is likely that more boys will take up Sanskrit if a Sanskrit Munshi is permanently attached to the Anglo-Vernacular School Under these circumstances I beg to recommend that Government may be pleased to stop the grant of Rs 20 of the Sanskrit School Mayadr and to sanction the employment of the Pandit as Sanskrit assistant master in the Anglo-Vernacular

School, Majadr on Rs 15 a month from
with effect from 1st August 1903
the 5th inst. The Pandit is a learned man
and his past history is satisfactory When
he is taken on the Establishment of the
Anglo Vernacular School he may also
teach a few Vardha Impls out of
School hours

I have the honor to be,
Sir
Your most obedient servant
